Live Your Dream! We equip and Inspire!

TRAININGS (IN SESSIONS OF 2HRS EACH)

Leadership Category:

How to lead a commission sales force

This is a unique group of people in your organization! Learn to lead and handle them optimally. In 3 sessions.

Leadership Journey

This is an unassuming training starting from the basic steps..normally given in three phases where a phase takes three sessions. It entails most of what is in the leadership talks above. Takes 9 sessions equivalent to 3 days.

Leading in hard times and delivering results

Leading is hard. But leading during depression times, when business is bad, during difficult seasons and the likes, can be more tasking and frustrating to a leader. Tap great ideas here on how to do it effectively in 3 sessions.

Leading an All Volunteer Army

This is more appropriate for leaders in the fields where there is no direct compensation to members; like church groups, volunteer organizations, clubs among others. This is a 6 session training, equivalent to 2 days.

{We also have an on-going arrangement for leadership training where we can agree on which days of the week/month to be meeting for 45mins for a certain period of time. For for long term.}

Sales Category

Starting Up In Sales Profession (3 sessions)

This is important for all who are one year and below in the industry. It fortifies them against negativity and shares principles and strategies that create success.

How To Hit Jackpots (3 sessions)

This entails various strategies that increase success rate in a selling career. It may assume some basics covered in previous discussions.

Leading a Sales Team (3 sessions)

This helps team leaders and supervisors to gain insight into how best to lead their teams to greatness.

Team Building

Building The Foundation of a Winning Team

This is a one day excursion normally aimed at introducing team spirit among members, bonding and learning some basic teamwork and other soft skills. It is activity based, full of fun and learning.

Advanced Team Building

It entails Building The Foundation of a Winning Team above plus more lessons like problem-solving skills, thinking, customer management and resilience. It takes at least two days and normally punctuated with at least two talks powerful talks.

Building a Dream Team

For a minimum of three days, it entails the Advanced Team Building plus leadership issues like how to select team members, motivating your team, decision-making, team dynamics among others. It also includes at least three powerful talks.

{All trainings are rated according to sessions and number of participants..call for discounts}
